EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Shawn B. Dempster on April 29th, 2005.

The application has been amended as follows:

In the claims:

In claim 11, please replace "9" with - - 10 - -.

In claim 16, please replace "uncompressing" with - - decompressing - -.

In claim 17, please replace "uncompressing" with - - decompressing - -.

2. The following is an examiner's statement of reasons for allowance:

Claims 1-20 are allowable over prior art of record.

The primary reason for allowance of the claims is the inclusion of a memory including template information, sub-template information, and delta information, the template information comprising seldom changing elements of a web page and the sub-template information comprising information that changes less frequently than delta information and elements of a web page that are shared by several templates. In the present invention as claimed, the system of claim 1 and method of claim 9 manipulates web page information that has been divided into
